MEMORANDUM

TO: Graduate Physical Therapists / Physical Therapist Assistants

RE: Supervisory Agreement for Temporary Licensure Form

Attached is a *Supervisory Agreement for Temporary Licensure* form. The form must be completed and returned to this Board prior to consideration for temporary licensure. You and your supervising Alabama registered physical therapist should complete the form and return it to the above address.

Please note - you may meet all requirements to take the licensing examination in Alabama without a temporary license. A temporary license is not a requirement in order to sit the exam.

If you have previously taken the licensing examination and failed, you will not be eligible for temporary licensure in Alabama.
